# 9 ISLANDS

*of charm and pure magic*

São Miguel, the place where we always want to return.

Terceira is one of the main entry points, where the air diffuses with the earth.

São Jorge, where you will find steep cliffs, dreamlike scenery and rich stories.

Santa Maria, is the third smallest island in the Azores, a small paradise characterized by spectacular beaches and bays.

Pico, the island with the highest mountain in Portugal.

The hydrangeas on the island of Faial that leave us speechless.

Graciosa, known as the white island, inspired by its characteristics.

Flores, the natural treasure of the Azores.

The smallest but not to be missed is Corvo.
